ABOUT US

ISF Group is a one-stop Knowledge Solutions provider for the Maritime, Offshore and Allied Industries. ISF Group has set a strong foot in the industry by presenting custom Innovative, Strategic, and Futuristic solutions to its clients. Our biggest strength and USP comes from working closely with our client to transform work culture, enhance talents and boost productivity.

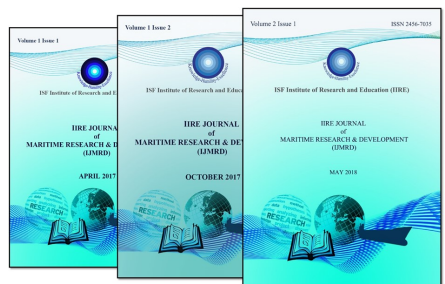

In 2013, **ISF Group established a research institute: ISF Institute of Research and Education (IIRE)**. IIRE is a non-profit unit of the ISF Group dedicated to developing and delivering integrated educational and research programs. IIRE is actively involved in research programs and benchmarking surveys for the Maritime Industry. IIRE has also published peer reviewed journals, working paper series, white papers, training materials, and application notes.
